April 2, 2019

# What is the ACT test?

- College entrance exam that evaluates a student's readiness for college.
- College admissions boards can judge a student's current level of knowledge, as well as their ability to reason and think logically.
- One of the most important exams in a student's educational career, and is a part of most colleges and universities admission requirements.

# Format of the ACT test

The Act exam can contain up to five separate sections, including Math, English, Science, Reading Comprehension and Writing. The ACT's writing section is optional. Students who opt to take the writing test will be taking the ACT Plus Writing exam rather than the standard ACT. The ACT consists of 215 multiple choice questions, plus the 1 optional writing prompt.
